Syncing Information

It is important that every day after you have tested students to sync. If you do not sync/save your data it will not show up in your web reports. There are several ways to do this. These steps are the same no matter if you tested using your iDevice on the app or at <u>mclasshome.com/assessment</u>.

• When the screen pops up asking for your password, click the log out button. Logging out will sync/save your data.
